A SPECIAL MUSICAL EVENING WITH SCANDINAVIAN ARTIST

We are thrilled to be hosting three professional artists from Norway and Sweden: The Norwegian actor Dennis Storhøi, the Swedish singer Cecilia Vennersten and the Norwegian musician Bjørn Halstensen.

About Dennis Storhøi:

Have a warm and cordial meeting with one of Norway's greatest actors. In a delightful mix of seriousness, humor and music you will find Dennis Storhøi. Dennis has worked closely with all the Norwegian major theater legends like Wenche Foss, Toralv Maurstad and Espen Skjønberg. He has also played in a Hollywood film where Antonio Banderas had a leading role. Storhøi has held numerous leading roles in film and musical productions in Norway, and for many years he has had the leading role in the famous Norwegian play Peer Gynt at Gålå. He sings and makes wonderful imitations, and is a multi-talent.

Together with pianist Bjørn Halstensen we invite you to a delightful voyage with a satirical look at his own life, the environment around us and people we meet. We can promise both tears and laughter when the memory book unfolds.

About Cecilia Vennersten:

Cecilia is from Gothenburg and was discovered during her appearance in the Swedish TV show "Sikta mot stjärnorna" in 1994. She had her song debut in the National Song Contest "Melodifestivalen" in 1995, where she came in second place with the song "Det vackraste". Her debut album went platinum in both Norway and Sweden. "Det vackraste" also won a Grammy for best song in 1995, and has become an immortal classic in both Norway and Sweden. Cecilia has performed at numerous concerts, events and Christmas tours in both countries. She has released three albums, and rumour has it that new material is on the way. Cecilia will perform with some of her favourite songs, and we can promise beautiful and evocative song from an amazing artist.

About Bjørn Halstensen:

Bjørn Halstensen is a musician, composer and producer residing in Fredrikstad. His orchestra has been used in a series of events at home and abroad. For example during the World Cup biathlon in Hochfilzen in Austria and the World Ski Championships in Lahti in Finland. He has played with many great artists in Norway and Sweden like Henning Kvitnes, Alexander Rybak, Halvdan Sivertsen, Peter Jöback and Robert Wells.

All proceeds for this special evening will benefit the Swedish Church in Florida and the Norwegian Seamen's Church in Miami.
