

Bibelläsningsplan 2022/2023

Denna bibelläsningsplan är ett komplement till Den svenska evangelieboken. Evangelieboken innehåller texter för kyrkoårets söndagar och särskilda firingsdagar. Bibelläsningsplanen har bibeltexter för alla övriga dagar under året och är framför allt avsett som stöd för enskild läsning av Bibeln. Från första söndagen i advent 2022 till och med domssöndagen 2023 läser vi tredje årgångens texter.
