Feel *Welcome!*

The Church of Sweden in Skellefteå's five congregations invites you to a large and varied music program during the summer of 2024. Most of the time, you can enjoy your music experiences in one of our churches, but there will also be music events at our summer cafés Tuvagården, Kyrkholmen, and Café Pärlan in Kusmark (see QR code on the last page for the program). There is no admission fee, and we hope you find something you like!

From June 28–30, the Church Weekend will also take place in Bonnstan in Skellefteå. Folk music concerts, craft markets, services, and storytelling. See the full program at svenskakyrkan.se/skelleftea/kyrkhelgen.

We reserve the right for any changes or misprints. You can also find the full program on our website svenskakyrkan.se/skelleftea/sommarmusik2024 or in the app Kyrkguiden where all our activities are listed.
