GRAVE SITE MAINTENANCE

To maintain the grave yourself or receive assistance?

A grave property holder is responsible for the maintenance of the grave. If you for any reason cannot do it yourself, the Graveyard Administration offers grave maintenance for a certain price.

Different options

Basic maintenance means that the grave site is kept free from weeds, leaves, withered flowers etc during the year.

Additional services

- Different types of planting, such as Easter flowers, spring/summer flowers, autumn flowers and Halloween flowers.
- Watering (one-year-old plants, during the period of May-August, once a week).
- Winter decorations and/or spruce coverage.

Other services

- Flowers in memorial grove
- We also offer a possibility to order bouquets for special occasions which we then assist in putting out in the memorial grove.

Grave maintenance agreement

The services offered by the Graveyard Administration can be signed with different binding periods:

- 1-year agreement. To be paid via invoice once per year or via direct debit (one or ten withdrawals).

- 3-year agreement (same price as three one-year-agreements).

One-off payment. Paid via invoice.

- Open agreement. Four years or more. Means that the grave site will be maintained as long as the fee paid lasts. Further payments can be made during the course of the agreement. It is possible, within the framework of paid funds, to make changes based on the range and price list.

Signing up

If you are interested in signing an agreement, fill in the attached form for the price request and send it to us.
