#### STRUCTURE, GOVERNANCE AND MANAGEMENT

A group of Trustees elected by the Members govern the Church.

The Trustees meet at least five times a year. Trustees are responsible for financial matters within a budget decided upon by the Church Member Meeting.

Once a year in May, the Church Member Meeting is held to make decisions on matters such as the level of annual church fees, appointment of auditors and election of Trustees and Nomination Committee. The Church Member Meeting adopts financial statements and annual reports.

Members of The Swedish Church in London congregation are those who have paid a member fee. The Trustees may accept applications for membership from non-Swedish Christians. The electoral roll comprises all members having paid the annual Church subscription or are lifetime members.

#### **Staff**

During 2018, there were 10 full-time equivalent people working at the Swedish Church in London, three of whom are seconded from Sweden and paid for by the Church of Sweden. Two volunteers from Sweden are supporting the team.

#### **Key management personnel**

The Articles consider the Rector to be the key management personnel of the charity. The Rector is an employee of Swedish Church Abroad (SKUT) which is responsible for setting his remuneration.

#### Principal risks and uncertainties

A risk assessment process is in place for all aspects of the organisation. This takes considerable effort, but the Trustees regard it as a very useful exercise. The Trustees have considered the risks faced by the Church and, where appropriate, steps are taken to mitigate against those risks which have been identified.

The major risk that has been identified relates to the uncertainty about the level of funding the Church will receive from Sweden. The Trustees are working to meet the deficit in a responsible and lasting way. The financial well-being of The Swedish Church in London is dependent on fund-raising activities and annual members' fees.

Other risks involve practical and reputational risks concerning the Church's activities, buildings and staff as well as donations from the Swedish Benevolent Trust charity. A full inspection of the buildings and technical installations of the Church is carried out every fifth year.

#### Work with children

The Trustees and the Church Council have introduced schemes to ensure observance of legislation requiring Churches and other bodies to obtain police checks for any new employee or volunteer who may come in contact with children. The Church acts in this respect via the Lutheran Council of Great Britain which provides services as an ecumenical umbrella body coordinating required checks. The Swedish police authorities provide checks on staff employed from Sweden. Also, all Staff and Volunteers are checked with the Disclosure and Barring Service (DBS). The Church also agrees and works under the Diocese of London's and Diocese of Southwark's Safeguarding Child and Adult Protection Programme.

(A company limited by guarantee) TRUSTEES' REPORT (continued) YEAR ENDED 31 DECEMBER 2018

#### **Relationships with other bodies:**

#### The Swedish Church Abroad (SKUT)

The Swedish Church Abroad (SKUT) together with the Bishop of Visby oversees the Swedish Church in London Ltd in religious matters giving instructions to the Rector on matters regarding Evangelical Lutheran Church procedures and related issues. During 2018 three full time members of staff were employed and paid by SKUT.

#### The Swedish Benevolent Trust (registered charity no: 263680).

The Swedish Benevolent Trust donates the Church's social care activities by making grants to the Swedish Church in London. The Swedish Benevolent Trust enables the Church to employ two full time Deacons and to provide a considerable range of social welfare services. The trust also pays for part time administrative services provided by the Church. The total amount received during 2018 was £110,000 (£130,000 in 2017).

#### **OBJECTIVES AND AIMS**

Until 2008, The Swedish Church in London, with the Seamen's Church in London, was responsible for religious, social and cultural work in England south of (and including) Birmingham. The Church took over the responsibility for all of the British Isles from 1 January 2009 and after surveys and testing the Church carries out regular services and meetings for Swedes throughout the British Isles.

The religious, social and cultural work is also directed towards short stay Swedish visitors as well as Swedish tourists.

#### ACHIEVEMENTS AND PERFORMANCE

The Swedish Church in London have in 2018 been working with the following aims and objectives:

# Church of Sweden Abroad aims for: "Openness, Faith and Hope" We work to the motto: "A living diaconal Church - an oasis in London"

Swedish Church in London Ltd, Ulrika Eleonora Parish, covers the British Isles. One church, a freehold property Ulrika Eleonora, owned by the local congregation, is in use. The church is open every day of the year, except for Bank holidays and five weeks in July and August when we only are only open on Sundays. During the year we did regular networking through social media and with lunches, services, coffee etc. around the British Isles; Belfast, Birmingham, Bournemouth, Brighton, Winchester, Cardiff, Devon, Dublin, Edinburgh, Liverpool and Manchester.

<u>Worship</u> - Swedish worship has been celebrated in London since 1673 and in Ulrika Eleonora (UE) congregation every Sunday since 1710. We have celebrated in our own Church building since Mikaelidagen in 1728. Goals for the year were:

- Maintain Mass every Sunday, (Sunday Mass), with Family masses once a month.
- Promote deepening in faith through "deepening Sundays" i.e. lectures after Mass.
- Additional music in as many Sunday services as possible.
- Sunday Mass in English four times during the year.
- Celebrate worship services with some regularity over the entire congregation /the British Isles.
- Good, well-attended Lucia Music Worship Services in St Paul's Cathedral, Southwark Cathedral, Westminster Cathedral and Ulrika Eleonora Parish Church, as well as in Birmingham, Brighton, Bristol and Edinburgh.

The goals have been achieved. The Sunday's Mass has an average attendance of 60 (65 in 2017). The decrease is probably due to more services and changes in counting statistics as well as the changes in staff during the year.

We have exclusively used the new series in the proposed new church manual. Special "Deepening Sundays" have been implemented (see more under education). Our Choir, which consists of about 40 singers, aged 20-70 is very active, with between 25-30 performances each year. Luciaconserts represent 15 of these. The choir participates in worship once a month, doing their own concerts and this year an Evensong in St Paul's.

During the spring we also started a children's choir, about 12 participators. A lovely contribution to the services during the year.

During the year we celebrated (numbers in brackets represent the prior year):

54 (57) Sunday Masses with 2977 (3669) participants, with 2264 (2807) communicants,

2 (2) other main worship services 133 (167),

79 (72) week masses 1443 (1398) attended, 854 (1213) communicants,

292 (216) public prayers

40 (42) music services 4971 (6453) participants including Lucia Liturgy at St. Paul's.

Concerts 12 (10), 385 (555) participants.

Gatherings Sunday school: 57 with 1751 participants.

Gatherings Youths: 36 with 585 participants Gatherings adults: 59 with 2547 participants

<u>Teaching</u> - goals for teaching during the year was to broaden and deepen the congregation's knowledge of Christian faith and Christian life especially through good Sunday services, more attention to Sunday school, Confirmation classes and Deepening Sundays as well as the Church Magazine and social media content.

The goals have been achieved. The Deepening Sundays work well. Sunday Mass 11am, lectures with questions and answer session in the church at 11:30am and then the church mingle in the Swedish Hall. Thirteen confirmands were confirmed after several weekend camps in the church and a long weekend camp in Cardiff. Sunday School works very well and during autumn we added resources to the classes. Ten lunchtime concerts were arranged by Johan Löfving. Changing the time to Thursday with lunch during autumn has turned out well. The idea is to give music students, young Swedes, an opportunity to perform and to come to church for community and fellowship.

### **Diaconal work/Welfare** –goals for our diaconal work during the year were

- To regularly do "Stay and play" during term for toddlers with parent /au pair every week.
- Regular visits to the Swedish schools, especially high school.
- "Young in London" every Wednesday night.
- Cultural Thursday Meetings with a seminar, including Mass and lunch, once a month.
- Senior lunches including service/Mass last Thursday every month. Provide pastoral care and counseling with diaconal staff and clergy.

- Home visits and travels around the UK, visits in hospitals, Communion to hospitalized people, and visits in HM Prisons.
- Emergency phone number in constant use.

The goals have been achieved with a great effort.

57 (70) Stay and Play with 1751 (1971) visitors.

50 counseling meetings, 30 (31) home visits and 16 (19) hospital/sick visits.

Regular visits to Schools 5

Continued good number attending at the Cultural Thursday. Slight increase.

Young in London had between 15 to 60 people attending the meetings.

Many a times the group ends the meeting in the church just before 9pm, an opportunity for everyone to pray and light candles.

<u>Mission / Communications</u> - goals for our mission this year was to reach an increasing number of Swedish speaking with the Christian message and to give a positive picture of the Swedish Church in London, the Christian faith and invite them to join in the community.

Four Church Magazines per year, website, newsletters (email-shots), and social media gives an interesting and inviting image of the congregation and the community. Our work outside London is very much dependent on social media, with several Facebook groups.

The Café which is open daily, attracts people, both Swedish and English, including members of the congregation.

### (A company limited by guarantee) TRUSTEES' REPORT (continued) YEAR ENDED 31 DECEMBER 2018

The goals have been achieved but here are still many Swedes in the UK that we do not reach. We are actively working with Facebook and Twitter and have continued the good work from previous year.

Monthly emails to about 1100 (6,000) people. The Church Magazine is sent out to 8500 (9,700 addresses), print run 9500 (11,000). We have between 3-5 (25-30) voluntary writers. The ambition is more deep and engaging articles always referring to the day to day work of the Church. The decrease of addresses and numbers are due to the work with GDPR opting in and onboarding a new Communication manager mid August.

<u>Ecumenism</u> - goals of ecumenism during the year was to deepen relations with the Anglican Church, the other Lutheran churches, other Christian churches and denominations and other religions in London locally. The ongoing ecumenical dialogue reflects the contacts we have. Main ecumenical contacts concern the Poorvo agreement.

- We seek to fulfill this through participation in the Reformation Worship 31<sup>st</sup> October, and Interfaith services as well as Lucia services around the British Isles. Attending Deanery meetings in Marylebone and several other ecumenical meeting places for priests and deacons.
- The Very Rev Eric Muhl has been appointed director in the Council of Lutheran Churches and their representative in Churches Together in Great Britain and Ireland in Joint Liturgical Group.
- The Chaplain is licensed in the Diocese of Southwark and have celebrated service in many different Churches. The Rector is in the process of being licensed in the two dioceses of London and Southwark.
- Latvian Lutheran Church celebrates Sunday Mass in our Church two Sundays a month, Icelandic Lutheran Church and Estonian Lutheran Church both twice a year.
- All clergy participated in joint worship for all consecrated in St Paul's Cathedral Maundy Thursday.
- Nordic Breakfast with other Nordic churches three times a year.

#### Staff, buildings, etc.

- New local staff during 2018 has been Lay Deacon Kerstin Garplid, Communications Manager Mona Davidsson and Financial Manager Linnéa Källman.
- Swedish Church in London has always been a parish church and is owned by the congregation as almost all the parish churches in Sweden and the UK.
- Very good support from the Church Office has been obtained for purposes such as HR, IT, canon law and archives.

(A company limited by guarantee) TRUSTEES' REPORT (continued) YEAR ENDED 31 DECEMBER 2018

• Swedish Church in London had the following committees during the year: Finance, Real Estate, Christmas Fair, Lucia, Nomination, Personnel and Thora Ohlsson Cultural Fund.

#### Challenges, Visions, Looking to the future

- We have been working with the Church of Sweden Abroad Values "Openness, Faith, Hope" during the year.
- The ongoing change of and for the Swedish Community is reflected in different ways. For example attendance in church. The older persons aren't attending Sunday services to that extent any more but we do have a increasing number of attendance on our monthly Senior gatherings.
- During the year to come there will be a need to adjust to changing relationship for UK to EU.
- For the time to come there would be necessary to continue involving families and younger persons in responsibility for the church at all levels.

#### FINANCIAL REVIEW

#### Result

The result for the year was a deficit in 2018 of £249,733 (2017: surplus of £190,762). The two drivers that contributed the most to this were:

- 1. £118,182 net investment loss on our capital invested with Cazenove, a -4.0% return.
- 2. £89k reduction in donations and gifts compared to 2017. We are very grateful for the £50,000 donation from the Thora Ohlsson Foundation in Lund, Sweden, and a £25,000 donation from the Lund Trust, a charitable fund of Peter Baldwin and Lisbeth Rausing. A heartfelt thank you for your generosity!

Compensating for this were two positive drivers:

- 3. £10,078 interest received from our direct investments in UK loan notes and £10,498 dividends received from our direct investments in listed Swedish investment companies.
- 4. £48,861 reduction in support costs and £18,005 reduction in staff costs in spite of us keeping the same level of service as in 2017. Thank you to our Rector Eric Muhl for keeping good cost management!

#### Reserves

The current unrestricted reserves consisting of the General fund and Buildings fund amounting to GBP 1,276,951 which represents 15 months of expenditure is in accordance with our reserves policy to retain 12 to 24 months of expenditure.

#### **Endowments**

The Swedish Church in London has one endowment, the Thora Ohlsson Cultural Fund. The Fund was created 2 January 1997 with an original grant of £100,000 and therefore celebrated its 30th anniversary in 2017 when the fund reached its highest value ever with £359,814 capital invested. The good capital return we had in 2017, an increase of £24,259 made it possible to give six scholarships for a total c.£11,000 in 2018, the second highest award level in the fund's history (2007 £13,000 was awarded).

#### **Investment policy**

The Trustees have engaged Cazenove Capital Management to manage its investments on a discretionary basis. The Trustees elected Cazenove in 2012 after a thorough evaluation of possible managers. The Trustees are aiming at minimising risk of its investments by spreading exposure over a wide variety of

(A company limited by guarantee) TRUSTEES' REPORT (continued) YEAR ENDED 31 DECEMBER 2018

investments classes. We invest our available capital long term into different funds, managed both by Cazenove and third party managers. The Swedish Church doesn't leverage its investments into funds, nor does it seek investment funds which are highly leveraged. One of the criteria by which all funds are evaluated is the ethical aspect. The trustees have an ethical investment policy which precludes material investments in businesses producing or selling arms or weapons, gambling, pornography, tobacco, narcotics or engaged in predatory lending. Cazenove announced a fee increase from 1 January 2018 and total investment fees and charges amounted to £39,784, 1.30% on invested capital

In 2017 we started investing directly in Swedish equities to gain dividends in SEK to help pay for our Christmas market purchases in Sweden and in 2018 we invested directly in equity in one UK mid-sized company through Ansor to increase our potential investment return and bought three loan notes from UK mid-sized companies through LGB to increase our investments income and reduce our dependency on other sources of income.

Details of the investments are given in note 7 to the accounts. The revaluation loss during the year was £240,924 (2017: £172,486 gain) and the investment income was £81,008 (2017: £89,444).

#### **Fundraising**

Following the implementation of the Charities (Protection and Social Investment Act 2016), the charitable company has reviewed its fundraising activities and confirms that it complies with the regulation. The charitable company did not make use of any external fundraisers. No complaints were received in respect of its fundraising activities.

#### Statement of Trustees' Responsibilities

The trustees, who are also directors of the charitable company, are responsible for preparing their report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. The trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of the affairs of the charitable company and the group and of the surplus or deficit for that period. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and apply them consistently
- Observe methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue in operation

The trustees are also responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF SWEDISH CHURCH IN LONDON LTD

#### **Opinion**

We have audited the financial statements of Swedish Church in London Ltd for the year ended 31 December 2018 which comprise Consolidated Statement of Financial Activities, the Consolidated and Charitable Company Balance Sheets, the Consolidated Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group's and of the parent charitable company's affairs as at 31 December 2018 and of the group's and parent charitable company's net movement in funds, including the income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 9, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and the parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charitable company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <a href="www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our auditor's report.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF SWEDISH CHURCH IN LONDON LTD

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In the light of the knowledge and understanding of the group and the parent charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report (which incorporates the directors' report).

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charitable company; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

#### 1 Accounting policies

The following accounting policies have been used consistently in dealing with items that are considered material to the Church's affairs:

#### **Basis of Preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Swedish Church in London Ltd meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### **Going Concern**

Given the charitable company's level of free reserves available at the year end, the Trustees consider that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Accordingly the financial statements have been prepared on a going concern basis.

#### **Basis of Consolidation**

The financial statements consolidate the results of the charity and its wholly owned subsidiary Swedish Church Services Limited on a line-by-line basis. A separate Statement of Financial Activities and Income and Expenditure Account for the charity has not been presented because the charity has taken advantage of the exemption afforded by section 408 of the Companies Act 2006.

#### **Income**

All income is recognised once the charity has entitlement to income, it is probable that income will be received and the amount of income receivable can be measured reliably.

Income, including the contributions from The Church of Sweden via SKUT, is accounted for in the year in which it is receivable. Donations are included when received. Legacies are included when notified and the probate has been granted. Gifts and legacies of assets are initially included at their estimated value.

Special events income was generated by the Christmas fair, and Sankta Lucia carol service. Other income was generated by various parish activities including weddings held at the Swedish Church. These incoming resources are all recognised in the consolidated financial statements on a receivable basis.

Investment income is accounted for on a receivable basis and relates to and relates to dividend income from listed investments and interest in respect of bank deposits.

Revenue grants are accounted for on a receivable basis.

### Expenditure

Raising funds cost comprises fees charged by the investment managers for managing the investment portfolio and bank charges.

Charitable expenditure represents costs directly incurred for the furtherance of the Church's objects. Costs are allocated on a specific basis, according to function, with the exception of staff and some office overhead costs which are allocated based on activity levels.

Governance costs comprise costs of running the Church as an organisation and is allocated in line with the support costs.

Where costs cannot be directly attributed to categories, they have been allocated between parish activities, special events, support costs and management and administration proportional to staff time spent in each area.

### Investments

Investments are included in the financial statements at market value at the balance sheet date. Realised and unrealised gains and losses on revaluation and disposals occurring in the year are reported in the Statement of Financial Activities.

### Translation of foreign currencies

Income and expenditure is translated at the rate ruling on the date of the transaction concerned. Assets and liabilities at the year end are translated at the rate ruling at the balance sheet date.

## **Pension costs**

The Church operates a defined contribution pensions scheme providing benefits for employees additional to those from the state. The pension cost charge represents contributions payable by the Church to the fund in respect of the year.

# **Donations in kind**

Donated services are recognised when the benefit to the charity is reasonably quantifiable and measurable. The value placed on these resources is the estimated value to the charity of the service received.

#### Tangible fixed assets

Individual fixed assets costing £1,000 or more are capitalised at cost.

The freehold Church building has been written down to a nominal value.

The other tangible fixed assets are written off over their estimated useful economic lives on a straight line basis at the following rates:

Freehold buildings	2%
Fittings, furniture and organ	25%
Computers	33.3%
Computer licenses	10%
Motor vehicles	25%
Boiler equipment	10%
Kitchen equipment	10%

#### Funds

Restricted funds represent income given for particular purposes within the objects of the charity. These may be income funds that are expendable at the discretion of the trustees in furtherance of a particular aspect of the objects of the charity, or they may be capital funds where the assets are required to be invested or retained for actual use rather than expended.

Endowment funds represent capital assets required to be held on a long term basis for specific charitable purposes within the objects of the charity. Income generated from the assets can be expended in accordance with the donors' wishes.

Designated funds comprise funds that have been set aside at the discretion of the trustees for specific purposes. The purpose and use of the designated unrestricted funds are set out in the notes to the financial statements.

Transfers between funds in the Statement of Financial Activities are required where Restricted Funds have been expended or have, for other specific reasons, ceased to be restricted.

#### **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments.

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

### **Employee benefits**

Short term benefits including holiday pay are recognised as an expense in the period in which the service is received.

Termination benefits are accounted for on an accrual basis and in line with FRS 102.

# Agnes and Axel Welin Memorial Fund

This fund originates from the 2015 sale of Seaman's Church property in London. The trustees have reviewed the trust documentation and ascertained this to be restricted income, which is to be used towards promoting the Gospel among said people (Swedes in the British Isles) called Lutherans or for the purpose of procuring a larger or more conveniently located piece of ground, reading room, chapel or place of worship. A transfer to reflect the correct accounting treatment was made in 2016.
